

WINE FOR SUMMER | CRUISING TO ALASKA

# SEATTLE METROPOLITAN

# BEST OF CITY

## Party Room

Design-wise, the biggest knock-out to open in Seattle this year is the new **OSTERIA LA SPIGA**. A shrine to urbanity in shades of concrete and warm wood, with soaring ceilings and a loft that raises private parties into the rafters. It's a rough-hewn, rustic aerie square in the middle of the city, overlooking the action from La Spiga's booths to its bar—and a sparkling venue for you and 49 of your dearest. *Osteria La Spiga*, 1429 12th Ave, Capitol Hill, 206-323-8881, [www.laspiga.com](http://www.laspiga.com)
