Big News for La Spiga Chef/Owner

After much anticipation, Chef/Owner Sabrina Tinsley can finally break the silence. January 4th is the premier date of Sabrina's battle against Iron Chef Bobby Flay in the Food Network's popular series Iron Chef America. The show repeats throughout the week (1/4 -1/10) please check listings for show times. We hope you enjoy the viewing and would love to hear your feedback. In honor of the occasion La Spiga will offer a tasting menu (Monday-Thursday during the month of January) featuring some of the food prepared by Chef Sabrina and her crew (Sous Chef Jon Langley and Jeff Konkle) during the battle.
