La Spiga Turns Eleven

October is an exciting month for the La Spiga Team as we have grown another year older. Special thanks to our wonderful customers, who have supported us over the last decade, through an array of gestures and dining with us at our beloved restaurant. You have helped us grow from the small place on the other side of Broadway to our current, beautiful location. While the space has changed, we hope that you still feel the same warmth and intimacy. It is still all about you! We would also like to take a moment to thank the La Spiga staff for their significant contribution to our growth. As members of the La Spiga family you have helped make this restaurant into the place that it is today and with all sincerity we believe this place is as much yours as it is ours. We want to thank all of you for your part as we look forward to the many years to come.
